

EXAMPLE ONLY

FOR LOTS THAT DO NOT REQUIRE A SITE PLAN PREPARED BY A PROFESSIONAL
THIS IS AN EXAMPLE ONLY AND DOES NOT CONSTITUTE PART OF AN APPLICATION

The following items must appear on your site plan if applicable:

- Frontage of lot on the road
- Depth of lot
- Location of lot
- Size of proposed building/structure
- Location of proposed building in relation to property lines (setbacks to property lines and all other buildings/structures including septic system)
- North arrow should be indicated
- The site plan must be accurate and complete
- Indication if measurements/scale is in metres or feet
- Any other applicable information.

PLEASE NOTE THAT MISREPRESENTED/MISLEADING OR INACCURATE SITE PLANS
CAN RESULT IN DELAYS OR REFUSAL OF PERMIT APPLICATIONS OR REVOCATION
OF THE PERMIT.
