

Town of South Bruce Peninsula

Tender PW 16-09

Surface Treatment

Town of South Bruce Peninsula

Tender PW 16-09

Surface Treatment

The Town of South Bruce Peninsula is requesting tenders for the supply and application of single and double surface treatment on roads within the Town of South Bruce Peninsula. Sealed bids will be received at the Town of South Bruce Peninsula Municipal Office until **2:00 pm** local time on **May 24, 2016**.

Bid packages and details may be obtained from the Town of South Bruce Peninsula Municipal Office, at the address below, or on the Town website at www.southbrucepeninsula.com

Each tender must be accompanied by a bid deposit in the amount of 10% of the bid. A certified cheque or bank draft payable to the Town of South Bruce Peninsula will be the only form of bid deposit accepted.

Tenders are subject to a formal contract being prepared and executed. Final quantities required may vary depending on budget approval. Contract award is subject to Town of South Bruce Peninsula approval and subject to budgetary constraints. The lowest or any bid will not necessarily be accepted. The Town of South Bruce Peninsula acknowledges and strives to abide by the MASH Annex.

Information to Bidders

1 General

Sealed tenders will be received until **May 24, 2016 at 2:00 pm** in a sealed envelope clearly marked with the following:

<p style="text-align: center;">Surface Treatment Tender PW 16-10</p> <p style="text-align: center;">Town of South Bruce Peninsula Attention: Andrew Sprunt Manager of Public Works 315 George St, PO Box 310 Warton ON, N0H 2T0</p>

The envelope is to include the bidding company name and return mailing address.

The bid must be submitted on the tender forms as provided by the Town of South Bruce Peninsula. No changes may be made to bids after they have been received. If more than one (1) tender is submitted by a bidder, the only one considered and opened will be the envelope with the most recent time/date of receipt. Electronically transmitted tenders (ie. fax or email) will not be considered.

2 Tender Requirements

The following **must** be completed and submitted with your bid:

- Tender Form T-1
- Tender Form T-2 – References and Related Experience
- Tender Deposit (10% of the bid)
- Gradation Tests – Class 1 Aggregate and Class 2 Aggregate
- Company Overview and Professional Qualifications
- Work Plan and Schedule
- Statement by Bidder
- Addendum(s) (If any)

Bidders are required to prepare their bid in accordance with this tender document, as well as the Town of South Bruce Peninsula's Purchasing Procedures (<https://southbrucepeninsula.civicweb.net/filepro/documents/33329?preview=42721>).

The successful bidder will be required to enter into a contract with the Terms and Conditions as set out in the tender.

Bids shall be submitted on our tender form.

The bidder must submit a tender deposit in the amount of 10% of the total tender which will be held for performance security on the successful bidder. A certified cheque or bank draft, payable to the Town of South Bruce Peninsula, will be the only form of tender deposit accepted.

Tenders that do not comply strictly with our terms and conditions or bids which are incomplete, obscure or made subject to further conditions or qualified may be rejected as informal or disqualified by the Town of South Bruce Peninsula.

A bid may be withdrawn any time prior to closing.

The Town does not bind itself to accept the lowest or any tender. Bids must be legible and completed in ink or typewritten with all blanks filled in.

Within the bid submission, if the amount bid for an item does not agree with the extension of the estimated quantity and the bid unit price, the unit price shall govern and the amount of the total bid price shall be corrected accordingly.

3 Insurance

Upon award of the contract, the successful bidder must furnish to the Corporation, at his/her cost, a certified copy of a liability insurance policy. All minimum coverage is detailed below:

- \$2 million – general liability and automobile liability policies

Such policy shall contain:

- a “Cross Liability” clause or endorsement;
- an endorsement certifying that The Town of South Bruce Peninsula and the successful bidder are included as additional named insured;
- an endorsement to the effect that the policy or policies will not be altered, cancelled or allowed to lapse without thirty days prior written notice to the Corporation.

The Liability Insurance Policy and/or endorsements shall be satisfactory to the Corporation. The insurance coverage noted above shall be maintained in force throughout the term of the successful bidder’s contract agreement.

4 Equipment

The successful bidder shall furnish and maintain all such equipment as is considered necessary for conducting the work in an acceptable manner and at a satisfactory rate of progress. All equipment, tools, and machinery used for handling materials and

executing any part of the work shall be maintained in a satisfactory, safe efficient working condition. Equipment used by the successful bidder shall be such that no injury to the workers or property will result from its use. The successful bidder shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the work and services performed hereunder. The successful bidder shall provide reasonable protection to prevent property loss or damage and/or personal injury to persons, including but not limited to employees performing such work and all other persons who may be affected thereby.

The successful bidder shall be responsible and accept all liability for the licensing, inspections and any compliance with federal, provincial or municipal laws as they pertain to the vehicles to be used. Furthermore, the successful bidder will furnish to the Town any and all vehicle safety certificates on the vehicles to be used under the contract if requested.

Where a vehicle is hauling material for use in the contract, in whole or in part upon a public highway and where motor vehicle registration is required for such vehicle, the contractor shall not cause or permit such vehicle to be loaded beyond the legal limit as specified under the *Highway Traffic Act*, whether such vehicle is registered in the name of the contractor or otherwise.

The equipment must be capable of adjustment to suit all operating conditions. Bidders shall make available all equipment for inspection by the Town prior to execution of the contract.

The Town reserves the right at its sole discretion to reject any bid submission or not enter into an agreement with any bidder if it is felt that any equipment is inappropriate for the execution of the contract.

5 Bribery or Corrupt Practice

Should the successful bidder or any of his agents give, or offer any gratuity to, or attempt to bribe any member of the Town Council, officers or servants of the Town, the Town of South Bruce Peninsula shall be at liberty to cancel the contract forthwith or to direct the Town to take the whole or any part of the works out of the hands of the successful bidder under the same provisions as those specified.

6 Assignment and Sub-Letting

Potential bidders should be aware that the successful contractor shall not assign or sublet the contract or any part thereof or any benefit or interest therein or thereunder, without the written consent of the Town of South Bruce Peninsula.

7 Employees

The successful bidder agrees that the Town of South Bruce Peninsula is not to be deemed the employer of the successful bidder nor its personnel under any circumstances whatsoever.

Should any overseer, mechanic, driver or workman employed on or about the work or in connection therewith give any just cause for complaint, the Town shall notify the successful bidder, in writing, stating the reasons therefore and the successful bidder shall dismiss such persons forthwith and he shall not again be employed by the successful bidder on any Town of South Bruce Peninsula work without the written consent of the Town.

8 No Smoking Policy

The successful bidder, as well as their employee(s), must at all times abide by the Town's No Smoking Policy, Policy D.6.1, as well as any and all provincial and federal smoking regulations, when performing the work under the contract agreement.

9 Working Safely

The successful bidder shall provide adequate protection for workers and the public at all times under the applicable Federal and Provincial Statutes, in accordance with all municipal by-laws and regulations together with any additional safety measures that may be necessary. The successful bidder shall provide and maintain the necessary first aid items and equipment as called for under the First Aid Regulations of the Workplace Safety and Insurance Act and Occupational Health and Safety Act, and the Ontario Electrical Safety Code as applicable to the scope of work.

The successful bidder shall ensure that all employees are provided with and instructed in the use of safety equipment as required by the Occupational Health and Safety Act and by other regulations. Normal safety precautions should be observed while around and operating equipment.

The successful bidder shall observe and comply with all Municipal and Provincial safety regulations and shall obtain and pay for all permits, fees, etc. that may be applicable in carrying out the work.

The successful bidder must ensure that during the performance of the work of the contract, its personnel are equipped and wear appropriate personal protective equipment: footwear, head protection, etc.

A copy of the Health and Safety Policies of the Town of South Bruce Peninsula is available to the successful bidder upon request. The successful bidder is required to comply at a minimum with the safety standards of the Town of South Bruce Peninsula. The successful bidder shall provide a copy of their own Health and Safety Policy upon request.

The Town of South Bruce Peninsula retains the right to stop the successful bidder's work without penalty to the Corporation if the bidder does not comply with the Occupational Health and Safety Act, and the Health and Safety Policies and Procedures of the Town of South Bruce Peninsula, or creates an unacceptable health and safety hazard.

The successful bidder shall be responsible for and shall pay all dues and assessments payable under the *Workplace Safety and Insurance Act*, the *Employment Insurance Act* or any other *Act*, whether Provincial or Federal, in respect to all his employees or operations and shall, upon request, furnish the Town of South Bruce Peninsula with satisfactory evidence that as, the successful bidder, the provisions of any act have been complied with.

The successful bidder will provide to the Town a WSIB Clearance Certificate or proof of WSIB Independent Operator Status prior to the execution of any contract.

10 Accessibility Regulations for Contracted Services

In accordance with Ontario Regulation 429/07, Accessibility Standards for Customer Service Sect. 6, every provider of goods and services shall ensure that every person who deals with members of the public or participates in the developing of the service providers policies, practices and procedures governing the provision of goods and services to members of the public, shall be trained on the following:

1. How to interact and communicate with persons with various types of disability.
2. How to interact with persons with disabilities who use assistive devices or require the assistance of a guide animal, or a support person.
3. How to use equipment that is available on premises that may help in the provision of goods or services.
4. What to do if a person with a particular type of disability is having difficulty accessing the provider's goods or services.
5. Information on the policies, practices and procedures governing the provision of goods and services to people with disabilities.

Contracted employees, third party employees, agents and others that provide customer service on behalf of the Town of South Bruce Peninsula must meet the requirements of Ontario Regulation 429/07 with regard to training. In accordance with Ontario Regulation 429/07 a document describing the training policy, a summary of the contents

of the training and details of training dates and attendees must be submitted to the Town of South Bruce Peninsula upon request.

11 Other Rights

No tender, proposal, or quotation will be accepted from any person or company which has a claim or instituted a legal proceeding against the Town or against whom the Town has a claim or instituted a legal proceeding with respect to any previous contract without prior approval of Council.

12 Payments

Payment by the Town of South Bruce Peninsula to the successful bidder will be made in accordance with the tender submission. Upon completion of the work the successful bidder will submit an invoice to the Town of South Bruce Peninsula. Payment by the Town of South Bruce Peninsula to the successful bidder will be made within forty five (45) days of the date of the delivery of the invoice.

13 Sales Tax

The bidder will not include the Harmonized Sales Tax (HST) in the tender prices.

14 MASH Annex

The Town of South Bruce Peninsula acknowledges that this tender is subject to the MASH Annex.

Scope and Specifications

1 Scope of Work

This tender is for the purpose of the supply and application of single and double surface treatment on roads within the Town. The contract will be for the 2016 calendar year only. Single surface treatment will occur at various locations throughout the Town; a detailed list of streets will be supplied to the successful bidder following contract award. Maps of the work locations for double surface treatment are included within this bid document as Appendix A. The Town reserves the right to add or change road sections, pending bidder submissions and budgetary constraints.

Award is subject to budget limitations. The Town makes no representation or guarantee as to the quantity of work to be performed. The Town of South Bruce Peninsula reserves the right to increase quantities required; municipal budget constraints and Council direction could result in an increase or decrease in quantities or a full or partial suspension of any supplies required.

2 Specifications for Single Surface Treatment

The successful bidder shall supply all labour, equipment, materials, traffic control, asphalt emulsion (as specified) and aggregate required to apply a single surface treatment on roads within the Town. The total length of all areas is approximately 14 km. The single surface treatment is to be applied in accordance with OPSS 304 as follows:

- Class 1 aggregate at an application rate of 16 kg/m²
- CRS-2 or RS-2 grade primer/binder at an application rate of 1.8 kg/m²

3 Specifications for Double Surface Treatment

The successful bidder shall supply all labour, equipment, materials, traffic control, asphalt emulsion (as specified) and aggregate required to apply a double surface treatment (double high float) on Tenth Street North from Second Avenue North to the end of the street in Sauble Beach, a section of Silver Lake Road between Allenford Road and Sideroad 5, and the intersection of Chesley Lake Road and Lake Drive in Chesley Lake. The approximate area of Tenth Street North is 650 m², the approximate area of Silver Lake Road is 975 m², and the approximate area of the intersection of Chesley Lake Road and Lake Drive is 2,100 m²; the successful bidder shall be responsible to estimate the amount of material required to conduct this work. The Town will provide final grading of aggregates prior to the application of the double surface treatment. The double surface treatment is to be applied in accordance with OPSS 304 using a Class 2 aggregate material.

Pending budget limitations, the Town may reconstruct Lakeshore Boulevard North between Fourth Street North and Sixth Street North in Sauble Beach, and asks bidders to provide a provisional price per square meter to supply all labour, equipment, materials, traffic control, asphalt emulsion (as specified) and aggregate required to apply a double surface treatment (double high float) on Lakeshore Boulevard North. The approximate area of Lakeshore Boulevard is 9,350 m²; the successful bidder shall be responsible to estimate the amount of material required to conduct this work. The Town will provide final grading of aggregates prior to the application of the double surface treatment. The double surface treatment is to be applied in accordance with OPSS 304 using a Class 2 aggregate material. Should the Town choose to reconstruct Lakeshore Boulevard North, the street will not be ready for double surface treatment until late summer or early fall.

Pending budget limitations, the Town may require double surface treatment on additional roadways that have not yet been identified, and asks bidders to provide a provisional price per square meter to supply all labour, equipment, materials, traffic control, asphalt emulsion (as specified) and aggregate required to apply a double surface treatment (double high float) in various locations. The approximate area may be up to 2,000 m²; the successful bidder shall be responsible to estimate the amount of material required to conduct this work. The Town will provide final grading of aggregates prior to the application of the double surface treatment. The double surface treatment is to be applied in accordance with OPSS 304 using a Class 2 aggregate material. Should the Town require this additional area of double surface treatment, the roadway will not be ready for double surface treatment until late summer or early fall.

4 Testing of Materials

The Class 1 and Class 2 aggregate material will be tested by the bidder and a copy of the results of the gradation test is to be included with the tender submission. The test is to be completed in accordance with OPSS 1006 - Class 1 and Class 2, at the cost of the bidder.

Following contract award, the successful bidder shall allow the Town access to the aggregate material being delivered to obtain random samples on a daily basis that the Town can test to ensure the material continues to meet requirements and specifications.

Should the materials from the samples fail to meet the requirements of the specifications, the Town reserves the right to suspend services and/or receive a reduction in cost based on the quality of the materials.

5 Hours of Work

Work will be permitted on South Bruce Peninsula roads between 7:00 am to 7:00 pm, Monday to Friday. No work is to be performed outside of these hours, unless requested by the successful bidder and permitted by the Town.

Work is to be completed and coordinated with the Operations Supervisor(s).

6 Traffic Control

The successful bidder shall supply the required traffic controllers and portable signs to protect the work zone and to ensure the safe passage of traffic in conformance with the MTO Traffic Control Manual for Roadway Work Operations.

7 Equipment

It is hereby understood and agreed that the successful bidder will provide the equipment and personnel to be used for the work. Only bidders having sufficient and adequate equipment to perform the work of this contract will be considered. The Town reserves the right to visit the bidder's premises to examine its resources.

8 References and Related Experience

On the attached form, please provide at minimum, three (3) references of accounts that your company has provided similar services since January 2010. References will be equal in complexity and service requirements outlined in this tender call. Bidders shall obtain permission from the references provided to use their names; the Town may contact any/all references provided.

9 Company Overview and Professional Qualifications

Within the bid submission, each bidder shall provide an overview of their company, including their qualifications for the tender call and a list of the equipment to be used for the work.

Bidders are required to enclose with their bid submission a list of any sub-contractors for work being performed; the Town reserves the right to approve or reject any/all sub-contractor(s).

10 Work Plan and Schedule

The Town requires that all work is to be completed by September 1, 2016, with the exception of the provisional items, which shall be completed by October 15, 2016 if the Town proceeds with the reconstruction work. Extension of the completion date may be granted in writing by the Town, upon written request from the successful bidder. Within the bid submission, each bidder shall provide their work plan which shall indicate their schedule and ability to meet the Town's deadlines.

11 Evaluation Criteria

The following criteria will be used for evaluating proposals submitted to the Town. The Town reserves the right to shortlist firms for further evaluation and interviews if required; this may alter the final scoring results. Any or the lowest proposal not necessarily accepted.

Item	Evaluation Criteria	Weight Factor
1	Relevant and Related Experience	10%
2	Company Overview and Professional Qualifications	10%
3	References	10%
4	Work Plan and Schedule	25%
5	Budget	40%
6	Previous History with the Town	5%

Bidders are required to review the tender document's Scope and Specifications, Sections 1 through 11 (found on pages 9 through 12), and submit detailed information of how their company will meet the Town's requirements, specifically submitting information required to meet the evaluation criteria listed above. The tender will only be evaluated based on the information that is provided within the bid submission. Please ensure that all relevant information is provided for evaluation.
