

Request for Quotation

Wiarion Willie Breakfast

Staff are busy planning the 2023 Wiarion Willie Festival and Prediction Morning events. We know everyone is looking forward to an in-person event and we want to continue to build on the success of past years.

Usually, the Town and volunteer groups host a breakfast on Prediction Morning. We are looking at a different option for 2023.

We are seeking quotes from local restaurants, caterers, food vendors and or food trucks to provide 800 pre-wrapped breakfast options. The offering must include a meat and non-meat option, must be prepared in advance, kept warm at the event and be pre-wrapped for ease of distribution.

Your quote should include all costs for the provision of breakfast, your proposed breakfast options and your needs for set up and operation on the day of the event. Items to include in your proposal will include whether or not you require access to power, whether or not you will be running a generator or alternative power source, if you require tables (how many and area required), your needs for proximity to water and/or sanitary facilities and how long you will be able to remain at the event.

Please submit quotes by Friday October 14th at 4:30 p.m. to Danielle Edwards, Manager of Economic Development and Communications at Danielle.edwards@southbrucepeninsula.com

Please submit quote by email to Danielle.edwards@southbrucepeninsula.com

Thank you
