## Wiarton Willie

Bluewater Park is not just a picturesque campground—it's also the home of the legendary Wiarton Willie. Every year on February 2, visitors from around the globe eagerly tune in to see if Willie will spot his shadow, signaling six more weeks of winter, or if an early spring is on its way.

While you're here, don't miss the chance to visit Wiarton Willie's enclosure, where you can get a glimpse of the iconic groundhog himself. Whether you're camping, enjoying the park's amenities, or just passing through, a visit to Wiarton Willie's home is a must for any trip to Bluewater Park!
