The Liability Insurance Policy and/or endorsements shall be satisfactory to the Corporation. The insurance coverage noted above shall be maintained in force throughout the term of the successful bidder’s contract agreement.

4 Equipment

The successful bidder shall furnish and maintain all such equipment as is considered necessary for conducting the work in an acceptable manner and at a satisfactory rate of progress. All equipment, tools, and machinery used for handling materials and executing any part of the work shall be maintained in a satisfactory, safe efficient working condition. Equipment used by the successful bidder shall be such that no injury to the workers or property will result from its use. The successful bidder shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the work and services performed hereunder. The successful bidder shall provide reasonable protection to prevent property loss or damage and/or personal injury to persons, including but not limited to employees

performing such work and all other persons who may be affected thereby.

The successful bidder shall be responsible and accept all liability for the licensing, inspections and any compliance with federal, provincial or municipal laws as they pertain to the vehicles to be used. Furthermore, the successful bidder will furnish to the Town any and all vehicle safety certificates on the vehicles to be used under the contract if requested.

Where a vehicle is hauling material for use in the contract, in whole or in part upon a public highway and where motor vehicle registration is required for such vehicle, the contractor shall not cause or permit such vehicle to be loaded beyond the legal limit as specified under the *Highway Traffic Act*, whether such vehicle is registered in the name of the contractor or otherwise.

The equipment must be capable of adjustment to suit all operating conditions. Bidders shall make available all equipment for inspection by the Town prior to execution of the contract.

The Town reserves the right at its sole discretion to reject any bid submission or not enter into an agreement with any bidder if it is felt that any equipment is inappropriate for the execution of the contract.

5 Bribery or Corrupt Practice

Should the successful bidder or any of his agents give, or offer any gratuity to, or attempt to bribe any member of the Town Council, officers or servants of the Town, the Town of South Bruce Peninsula shall be at liberty to cancel the contract forthwith or to direct the Town to take the whole or any part of the works out of the hands of the successful bidder under the same provisions as those specified.

6 Assignment and Sub-Letting

Potential bidders should be aware that the successful contractor shall not assign or sublet the contract or any part thereof or any benefit or interest therein or thereunder, without the written consent of the Town of South Bruce Peninsula.

7 Employees

The successful bidder agrees that the Town of South Bruce Peninsula is not to be deemed the employer of the successful bidder nor its personnel under any circumstances whatsoever.

Should any overseer, mechanic, driver or workman employed on or about the work or in connection therewith give any just cause for complaint, the Town shall notify the

successful bidder, in writing, stating the reasons therefore and the successful bidder shall dismiss such persons forthwith and he shall not again be employed by the successful bidder on any Town of South Bruce Peninsula work without the written consent of the Town.

8 No Smoking Policy

The successful bidder, as well as their employee(s), must at all times abide by the Town's No Smoking Policy, Policy D.6.1, as well as any and all provincial and federal smoking regulations, when performing the work under the contract agreement.

9 Working Safely

The successful bidder shall provide adequate protection for workers and the public at all times under the applicable Federal and Provincial Statutes, in accordance with all municipal by-laws and regulations together with any additional safety measures that may be necessary. The successful bidder shall provide and maintain the necessary first aid items and equipment as called for under the First Aid Regulations of the Workplace Safety and Insurance Act and Occupational Health and Safety Act, and the Ontario Electrical Safety Code as applicable to the scope of work.

The successful bidder shall ensure that all employees are provided with and instructed in the use of safety equipment as required by the Occupational Health and Safety Act and by other regulations. Normal safety precautions should be observed while around and operating equipment.

The successful bidder shall observe and comply with all Municipal and Provincial safety regulations and shall obtain and pay for all permits, fees, etc. that may be applicable in carrying out the work.

The successful bidder must ensure that during the performance of the work of the contract, its personnel are equipped and wear appropriate personal protective equipment: footwear, head protection, etc.

A copy of the Health and Safety Policies of the Town of South Bruce Peninsula is available to the successful bidder upon request. The successful bidder is required to comply at a minimum with the safety standards of the Town of South Bruce Peninsula. The successful bidder shall provide a copy of their own Health and Safety Policy upon request.

The Town of South Bruce Peninsula retains the right to stop the successful bidder's work without penalty to the Corporation if the bidder does not comply with the Occupational Health and Safety Act, and the Health and Safety Policies and Procedures of the Town of South Bruce Peninsula, or creates an unacceptable health and safety hazard.

The successful bidder shall be responsible for and shall pay all dues and assessments payable under the *Workplace Safety and Insurance Act*, the *Employment Insurance Act* or any other *Act*, whether Provincial or Federal, in respect to all his employees or operations and shall, upon request, furnish the Town of South Bruce Peninsula with satisfactory evidence that as, the successful bidder, the provisions of any act have been complied with.

The successful bidder will provide to the Town a WSIB Clearance Certificate or proof of WSIB Independent Operator Status prior to the execution of any contract.

10 Accessibility Regulations for Contracted Services

In accordance with Ontario Regulation 429/07, Accessibility Standards for Customer Service Sect. 6, every provider of goods and services shall ensure that every person who deals with members of the public or participates in the developing of the service providers policies, practices and procedures governing the provision of goods and services to members of the public, shall be trained on the following:

1. How to interact and communicate with persons with various types of disability.
2. How to interact with persons with disabilities who use assistive devices or require the assistance of a guide animal, or a support person.
3. How to use equipment that is available on premises that may help in the provision of goods or services.
4. What to do if a person with a particular type of disability is having difficulty accessing the provider's goods or services.
5. Information on the policies, practices and procedures governing the provision of goods and services to people with disabilities.

13 Sales Tax

The bidder will not include the Harmonized Sales Tax (HST) in the quotation prices.

14 MASH Annex

The Town of South Bruce Peninsula acknowledges that this quotation is subject to the MASH Annex.

Scope and Specifications

1 Scope of Work

The Town is requesting quotes for the partial reconstruction of Lakeshore Boulevard North between Fourth Street North and Sixth Street North in Sauble Beach. Bidders are asked to bid on the excavation of the existing surface and base material and the application of a new road base prior to application of hot mix asphalt in May 2017. Pending half load weight restrictions, the work should begin in April/May, prior to asphalt application that should be completed by May 19, 2017.

There will be a mandatory site meeting on March 30, 2017 at 10:00 am. Potential bidders will meet Town staff at the intersection of Lakeshore Boulevard North and Sixth Street North in Sauble Beach to discuss the details of the project.

Maps of the work location are included within this bid document as Appendix A.

Award is subject to budget limitations. The Town makes no representation or guarantee as to the quantity of work to be performed.

2 Specifications

The Town is requesting quotes from qualified contractors to perform construction on Lakeshore Boulevard North between Fourth Street North and Sixth Street North in Sauble Beach. The successful bidder shall be responsible for excavating the existing road surface and base and prepare it for hot mix asphalt. The Town will provide a preliminary layout with stakes offset to new edges of pavement with batter boards for the new road elevations.

Removal of the existing road structure will be 8.0 metres wide for the entire width of the existing pavement on both sides of the road. Removal of the road structure will be to a depth of 500 mm below the top of the existing road grade and possibly to greater depth if subgrade is insufficient. The approximate volume of materials to be removed from this 800 m section of road is 3200 m³.

Surface and base materials excavated from the work zone shall be transported by the successful bidder to the Amabel Landfill Site, located at 1249 Sauble Falls Pkwy. There will be no cost to the successful bidder for the disposal of the materials. The existing tar and chip surface will not need to be separated from the base materials and the entire section can be excavated at one time.

The Town has previously issued a separate tender for the supply and delivery of granular materials, as well as the supply and application of hot mix asphalt.

The successful bidder shall be required to place 300 mm of 2" crushed Granular "B" and 150 mm of Granular "A" to proposed grade and compact the base materials to a 2% crossfall. The work will be inspected by the Town following the grade work, and the Town will coordinate compaction testing prior to asphalt application. The final grade and compaction works shall be to the satisfaction of the Town.

The Town has completed some drainage work on the project and any damage to the drainage works by the successful bidder shall be repaired by the successful bidder at no cost to the Town.

The successful bidder shall also prepare the intersection aprons at Essex Street, Lambton Street, Fifth Street North, Peel Lane, and Sixth Street North for asphalt application.

Following the completion of the work, the Town will be responsible for repairing driveway aprons, and restoring the roadsides to original condition including the provision of topsoil and grass seed.

The successful bidder shall be responsible to coordinate the work with the contractor delivering the granular material and the contractor that will place the asphalt; the Town shall provide the successful bidder with the contact information for these contractors.

3 Hours of Work

Work will be permitted on between 7:00 am to 7:00 pm, Monday to Friday. No work is to be performed outside of these hours, unless requested by the successful bidder and permitted by the Town.

Work is to be completed and coordinated with the Operations Supervisor(s).

4 Traffic Control

The successful bidder shall supply the required traffic controllers and portable signs to protect the work zone and to ensure the safe passage of traffic in conformance with the MTO Traffic Control Manual for Roadway Work Operations. The successful bidder will be permitted to close the road to through traffic at the start of each work day, and must reopen the road to local traffic at the end of each work day.

5 Existing Structures and Utilities

The successful bidder will be responsible to obtain locates prior to commencing the work. The Town may be available to attend the site with the successful bidder and/or the locate company to assist with the location of the work. It is the successful bidder's responsibility to locate, support, and maintain all existing structures and utilities within or

adjacent to his work. Any damaged structure, utility or surface will be repaired or replaced to the satisfaction of the Town at the expense of the successful bidder.

6 Access

Limited vehicular access must be maintained to all properties fronting onto Lakeshore Blvd N within the limits of the construction area at all possible times. If it is impossible or totally impractical to maintain an entrance for a brief period of time, any closure or interruption will be coordinated with the Owner/Occupant.

7 Equipment

It is hereby understood and agreed that the successful bidder will provide the equipment and personnel to be used for the work. Only bidders having sufficient and adequate equipment to perform the work of this contract will be considered. The Town reserves the right to visit the bidder's premises to examine its resources.

8 Ontario Provincial Standard Specifications
