Information to Bidders

1 General

Sealed quotes will be received until **August 8, 2017 at 2:00 pm** in a sealed envelope clearly marked with the following:

<p style="text-align: center;">Resurfacing of D Line Tender PW 17-14</p> <p style="text-align: center;">Town of South Bruce Peninsula Attention: Andrew Sprunt Manager of Public Works 315 George St, PO Box 310 Warton ON, N0H 2T0</p>

The envelope is to include the bidding company name and return mailing address.

The bid must be submitted on the tender forms as provided by the Town of South Bruce Peninsula. No changes may be made to bids after they have been received. If more than one (1) tender is submitted by a bidder, the only one considered and opened will be the envelope with the most recent time/date of receipt. Electronically transmitted tenders (i.e. fax or email) will not be considered.

2 Tender Requirements

The following **must** be completed and submitted with your bid:

- Tender Form T-1
- Tender Form T-2 – References and Related Experience
- Tender Deposit (10% of the bid)
- Company Overview and Professional Qualifications
- Work Plan and Schedule
- Statement by Bidder
- Addendum(s) (If any)

Bidders are required to prepare their bid in accordance with this tender document, as well as the Town of South Bruce Peninsula's Purchasing Procedures (<https://southbrucepeninsula.civicweb.net/filepro/documents/33329?preview=42721>).

The successful bidder will be required to enter into a contract with the Terms and Conditions as set out in the tender.

Bids shall be submitted on our tender form only.

The bidder must submit a tender deposit in the amount of 10% of the total tender which will be held for performance security on the successful bidder. A certified cheque or bank draft, payable to the Town of South Bruce Peninsula, will be the only form of tender deposit accepted.

Tenders that do not comply strictly with our terms and conditions or bids which are incomplete, obscure or made subject to further conditions or qualified may be rejected as informal or disqualified by the Town of South Bruce Peninsula.

A bid may be withdrawn any time prior to closing.

The Town does not bind itself to accept the lowest or any tender. Bids must be legible and completed in ink or typewritten with all blanks filled in.

Within the bid submission, if the amount bid for an item does not agree with the extension of the estimated quantity and the bid unit price, the unit price shall govern and the amount of the total bid price shall be corrected accordingly.

3 Insurance

Upon award of the contract, the successful bidder must furnish to the Corporation, at his/her cost, a certified copy of a liability insurance policy. All minimum coverage is detailed below:

- \$2 million – general liability and automobile liability policies

Such policy shall contain:

- a “Cross Liability” clause or endorsement;
- an endorsement certifying that The Town of South Bruce Peninsula and the successful bidder are included as additional named insured;
- an endorsement to the effect that the policy or policies will not be altered, cancelled or allowed to lapse without thirty days prior written notice to the Corporation.

The Liability Insurance Policy and/or endorsements shall be satisfactory to the Corporation. The insurance coverage noted above shall be maintained in force throughout the term of the successful bidder’s contract agreement.

4 Equipment

The successful bidder shall furnish and maintain all such equipment as is considered necessary for conducting the work in an acceptable manner and at a satisfactory rate of progress. All equipment, tools, and machinery used for handling materials and executing any part of the work shall be maintained in a satisfactory, safe efficient working condition. Equipment used by the successful bidder shall be such that no injury

to the workers or property will result from its use. The successful bidder shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the work and services performed hereunder. The successful bidder shall provide reasonable protection to prevent property loss or damage and/or personal injury to persons, including but not limited to employees performing such work and all other persons who may be affected thereby.

The successful bidder shall be responsible and accept all liability for the licensing, inspections and any compliance with federal, provincial or municipal laws as they pertain to the vehicles to be used. Furthermore, the successful bidder will furnish to the Town any and all vehicle safety certificates on the vehicles to be used under the contract if requested.

Where a vehicle is hauling material for use in the contract, in whole or in part upon a public highway and where motor vehicle registration is required for such vehicle, the contractor shall not cause or permit such vehicle to be loaded beyond the legal limit as specified under the *Highway Traffic Act*, whether such vehicle is registered in the name of the contractor or otherwise.

The equipment must be capable of adjustment to suit all operating conditions. Bidders shall make available all equipment for inspection by the Town prior to execution of the contract.

The Town reserves the right at its sole discretion to reject any bid submission or not enter into an agreement with any bidder if it is felt that any equipment is inappropriate for the execution of the contract.

5 Bribery or Corrupt Practice

Should the successful bidder or any of his agents give, or offer any gratuity to, or attempt to bribe any member of the Town Council, officers or servants of the Town, the Town of South Bruce Peninsula shall be at liberty to cancel the contract forthwith or to direct the Town to take the whole or any part of the works out of the hands of the successful bidder under the same provisions as those specified.

6 Assignment and Sub-Letting

Potential bidders should be aware that the successful contractor shall not assign or sublet the contract or any part thereof or any benefit or interest therein or thereunder, without the written consent of the Town of South Bruce Peninsula.

7 Employees

The successful bidder agrees that the Town of South Bruce Peninsula is not to be

deemed the employer of the successful bidder nor its personnel under any circumstances whatsoever.

Should any overseer, mechanic, driver or workman employed on or about the work or in connection therewith give any just cause for complaint, the Town shall notify the successful bidder, in writing, stating the reasons therefore and the successful bidder shall dismiss such persons forthwith and he shall not again be employed by the successful bidder on any Town of South Bruce Peninsula work without the written consent of the Town.

8 No Smoking Policy

The successful bidder, as well as their employee(s), must at all times abide by the Town's No Smoking Policy, Policy D.6.1, as well as any and all provincial and federal smoking regulations, when performing the work under the contract agreement.

9 Working Safely

The successful bidder shall provide adequate protection for workers and the public at all times under the applicable Federal and Provincial Statutes, in accordance with all municipal by-laws and regulations together with any additional safety measures that may be necessary. The successful bidder shall provide and maintain the necessary first aid items and equipment as called for under the First Aid Regulations of the Workplace Safety and Insurance Act and Occupational Health and Safety Act, and the Ontario Electrical Safety Code as applicable to the scope of work.

The successful bidder shall ensure that all employees are provided with and instructed in the use of safety equipment as required by the Occupational Health and Safety Act and by other regulations. Normal safety precautions should be observed while around and operating equipment.

The successful bidder shall observe and comply with all Municipal and Provincial safety regulations and shall obtain and pay for all permits, fees, etc. that may be applicable in carrying out the work.

The successful bidder must ensure that during the performance of the work of the contract, its personnel are equipped and wear appropriate personal protective equipment: footwear, head protection, etc.

A copy of the Health and Safety Policies of the Town of South Bruce Peninsula is available to the successful bidder upon request. The successful bidder is required to comply at a minimum with the safety standards of the Town of South Bruce Peninsula. The successful bidder shall provide a copy of their own Health and Safety Policy upon request.

The Town of South Bruce Peninsula retains the right to stop the successful bidder's work without penalty to the Corporation if the bidder does not comply with the Occupational Health and Safety Act, and the Health and Safety Policies and Procedures of the Town of South Bruce Peninsula, or creates an unacceptable health and safety hazard.

The successful bidder shall be responsible for and shall pay all dues and assessments payable under the *Workplace Safety and Insurance Act*, the *Employment Insurance Act* or any other *Act*, whether Provincial or Federal, in respect to all his employees or operations and shall, upon request, furnish the Town of South Bruce Peninsula with satisfactory evidence that as, the successful bidder, the provisions of any act have been complied with.

The successful bidder will provide to the Town a WSIB Clearance Certificate or proof of WSIB Independent Operator Status prior to the execution of any contract.

10 Accessibility Regulations for Contracted Services

In accordance with Ontario Regulation 429/07, Accessibility Standards for Customer Service Sect. 6, every provider of goods and services shall ensure that every person who deals with members of the public or participates in the developing of the service providers policies, practices and procedures governing the provision of goods and services to members of the public, shall be trained on the following:

1. How to interact and communicate with persons with various types of disability.
2. How to interact with persons with disabilities who use assistive devices or require the assistance of a guide animal, or a support person.
3. How to use equipment that is available on premises that may help in the provision of goods or services.
4. What to do if a person with a particular type of disability is having difficulty accessing the provider's goods or services.
5. Information on the policies, practices and procedures governing the provision of goods and services to people with disabilities.

Contracted employees, third party employees, agents and others that provide customer service on behalf of the Town of South Bruce Peninsula must meet the requirements of Ontario Regulation 429/07 with regard to training. In accordance with Ontario Regulation 429/07 a document describing the training policy, a summary of the contents of the training and details of training dates and attendees must be submitted to the Town of South Bruce Peninsula upon request.

11 Other Rights

No tender, proposal, or quotation will be accepted from any person or company which has a claim or instituted a legal proceeding against the Town or against whom the Town

has a claim or instituted a legal proceeding with respect to any previous contract without prior approval of Council.

12 Payments

Payment by the Town of South Bruce Peninsula to the successful bidder will be made in accordance with the tender submission. Upon completion of the work the successful bidder will submit an invoice to the Town of South Bruce Peninsula. Payment by the Town of South Bruce Peninsula to the successful bidder will be made within forty five (45) days of the date of the delivery of the invoice.

13 Sales Tax

The bidder will not include the Harmonized Sales Tax (HST) in the tender prices.

14 MASH Annex

The Town of South Bruce Peninsula acknowledges that this tender is subject to the MASH Annex.

Scope and Specifications

1 Scope of Work

The Town is requesting quotes for the resurfacing of a 1,150 m section of D Line from Bruce Road 8 to the Hydro One sub-station at 379 D Line. Bidders are asked to bid on the pulverization of 100 mm of the existing surface and base material, the preparation of the road for surface treatment, and the application of double surface treatment.

In 2011, the Town commissioned a subgrade investigation of the existing road base; the results of the investigation are attached for bidders' information.

Maps of the work location are included within this bid document as Appendix A. Award is subject to budget limitations. The Town makes no representation or guarantee as to the quantity of work to be performed.

2 Specifications

The Town is requesting quotes from qualified contractors to perform the resurfacing of D Line from Bruce Road 8 to the Hydro One sub-station at 379 D Line. The successful bidder shall be responsible for pulverizing 100 mm of the existing road surface and base, prepare it for surface treatment, and apply double surface treatment on the road. If bidders will be using a sub-contractor for any portion of the work, they must include the name(s) of the contractors with the Tender Forms.

The Town is willing to consider laying hot mix asphalt instead of surface treatment, and asks bidders to provide a provisional price for the Town to consider.

The successful bidder shall remove the shoulder material to a depth of 150 mm. The existing road surface shall be pulverized and graded to a 2% cross fall, redistributing the material across the entire surface to the extent of the shoulder excavation. The successful bidder shall apply and compact a minimum of 150 mm of new granular 'A' on the entire road and shoulder width to the same 2% cross fall as the pulverized base. Additional granular "A" may be required in some areas to bring the grade up to the full 2% cross fall across the entire road surface. Once the final grade is approved by the Town, the successful bidder shall apply a double surface treatment to the entire road tying into the existing streets and driveways.

The work will be inspected by the Town following the grade work, and the Town will require the successful bidder to arrange for compaction testing prior to hardtop application. The final grade and compaction works shall be to the satisfaction of the Town.

Pending bidder submissions, the successful bidder may be required to perform ditching

on both sides of D Line prior to the shoulder excavation and pulverization, and asks bidders to provide a provisional price for ditching.

The area of double surface treatment to be applied is 7 metres wide by 1150 metres long, for a total size of 8050 m². The double surface treatment shall be a high float on base layer and Class 2 on the top layer. If providing a price for hot mix asphalt, the asphalt shall be placed with 50 mm of HL3 top course asphalt to a 2% cross fall on the final profile.

3 Hours of Work

Work will be permitted on between 7:00 am to 7:00 pm, Monday to Friday. No work is to be performed outside of these hours, unless requested by the successful bidder and permitted by the Town.

Work is to be completed and coordinated with the Operations Supervisor(s).

4 Traffic Control

The successful bidder shall supply the required traffic controllers and portable signs to protect the work zone and to ensure the safe passage of traffic in conformance with the MTO Traffic Control Manual for Roadway Work Operations. The successful bidder will be permitted to close the road to through traffic at the start of each work day, and must reopen the road to local traffic at the end of each work day to provide access to property owners within the construction limits; traffic can be detoured at the south end at Bruce Road 8 and at the north end at Fifth Street North with the road closed at Fedy Drive.

5 Existing Structures and Utilities

The successful bidder will be responsible to obtain locates prior to commencing the work. The Town may be available to attend the site with the successful bidder and/or the locate company to assist with the location of the work. It is the successful bidder's responsibility to locate, support, and maintain all existing structures and utilities within or adjacent to his work. Any damaged structure, utility or surface will be repaired or replaced to the satisfaction of the Town at the expense of the successful bidder.

6 Access

Limited vehicular access must be maintained to all properties fronting onto D Line within the limits of the construction area at all possible times. If it is impossible or totally impractical to maintain an entrance for a brief period of time, any closure or interruption will be coordinated with the Owner/Occupant.

7 Equipment

It is hereby understood and agreed that the successful bidder will provide the equipment and personnel to be used for the work. Only bidders having sufficient and adequate equipment to perform the work of this contract will be considered. The Town reserves the right to visit the bidder's premises to examine its resources.

8 Ontario Provincial Standard Specifications

The Ontario Provincial Standards (OPSS) shall apply to this project as determined by the Town. OPS Standards can be found online at: <http://www.ops.on.ca>

9 References and Related Experience

On the attached form, please provide at minimum, three (3) references of accounts that your company has provided similar services since January 2012. References will be equal in complexity and service requirements outlined in this tender call. Bidders shall obtain permission from the references provided to use their names; the Town may contact any/all references provided.

10 Company Overview and Professional Qualifications

Within the bid submission, each bidder shall provide an overview of their company, including their qualifications for the tender call and a list of the equipment to be used for the work.

Bidders are required to enclose with their bid submission a list of any sub-contractors for work being performed; the Town reserves the right to approve or reject any/all sub-contractor(s).

11 Work Plan and Schedule

The successful bidder shall not begin any work until after the Labour Day long weekend and the Town requires that all work is to be completed by September 30, 2017. The successful bidder shall coordinate the work with their sub-contractors (if any) to ensure the work is completed on schedule.

Extension of the completion date may be granted in writing by the Town, upon written request from the successful bidder. Within the bid submission, each bidder shall provide their work plan which shall indicate their schedule and ability to meet the Town's deadlines. Each bidder is to provide the Town with a description of how they will

complete the work including signage, overnight traffic protection, public notices, and compaction providers.

12 Evaluation Criteria

The following criteria will be used for evaluating proposals submitted to the Town. The Town reserves the right to shortlist firms for further evaluation and interviews if required; this may alter the final scoring results. Any or the lowest proposal not necessarily accepted.

Item	Evaluation Criteria	Weight Factor
1	Company Overview, Professional Qualifications and Relevant Experience	5%
2	References	10%
3	Work Plan	20%
4	Schedule	20%
5	Budget	35%
6	Previous History with the Town	10%

Bidders are required to review the tender document's Scope and Specifications, Sections 1 through 10 (found on pages 9 through 12), and submit detailed information of how their company will meet the Town's requirements, specifically submitting information required to meet the evaluation criteria listed above. The tender will only be evaluated based on the information that is provided within the bid submission. Please ensure that all relevant information is provided for evaluation.
