Tender 19-20

Backhoe Loader

Town of South Bruce Peninsula

Tender 19-20

Backhoe Loader

The Town of South Bruce Peninsula is seeking bids for the supply and delivery of a new 4WD backhoe loader. The Town will also consider purchasing a demonstration unit provided that it carries the same full warranty of a new unit.

As part of the purchase of the new backhoe loader, the Town requests that bidders provide a trade-in value for the Town's 2003 Case 580 Super M. There is no guarantee that the Town will be trading in the existing unit, but requests a trade-in value to consider a potential trade-in.

Sealed tenders will be received at the Town of South Bruce Peninsula Municipal Office until **3:00 pm** local time on **May 24, 2019**.

Bid packages and details may be obtained from the Town of South Bruce Peninsula Municipal Office, at the address below, or on the Town website at www.southbrucepeninsula.com

Award is subject to Town of South Bruce Peninsula approval and subject to budgetary constraints. The lowest or any bid will not necessarily be accepted.

Lara Widdifield, C.E.T.
Director of Public Works
Town of South Bruce Peninsula
315 George St., PO Box 310
Warton ON N0H 2T0

Information to Bidders

1 General

Sealed tenders will be received until **May 24, 2019 at 3:00 pm** in a sealed envelope clearly marked with the following:

<p>Backhoe Loader Tender 19-20</p> <p>Town of South Bruce Peninsula Attention: Lara Widdifield, C.E.T. Director of Public Works 315 George St, PO Box 310 Warton ON, N0H 2T0</p>
--

The envelope is to include the bidding company name and return mailing address and reference the tender number.

The bid must be submitted on the tender forms as provided by the Town of South Bruce Peninsula. No changes may be made to bids after they have been received. If more than one (1) tender is submitted by a bidder, the only one considered and opened will be the envelope with the most recent time/date of receipt. Electronically transmitted tender (i.e. fax or email) will not be considered.

2 Tender Requirements

The following **must** be completed and submitted with your bid:

- Tender Form T-1
- Tender Form T-2 - Specifications Checklist
- Tender Form T-3 – Pricing for Options
- Warranty and Service Agreement
- Statement by Bidder
- Addendum(s) (If any)

Bidders are required to prepare their bid in accordance with this tender document, as well as the Town of South Bruce Peninsula's [Purchasing Procedures](#). The successful bidder will be required to enter into a contract with the Terms and Conditions as set out in the tender.

Bids shall be submitted on our tender form only.

A tender may be withdrawn any time prior to closing. Tenders that do not comply strictly with our terms and conditions or bids which are incomplete, obscure or made subject to further conditions or qualified may be rejected as informal or disqualified by the Town of South Bruce Peninsula.

The Town does not bind itself to accept the lowest or any tender. Bids must be legible and completed in ink or typewritten with all blanks filled in.

The Town of South Bruce Peninsula reserves the right in its sole discretion to reject any or all bids, and the lowest or highest bid as the case may be will not necessarily be accepted.

3 Bribery or Corrupt Practice

Should the successful bidder or any of his agents give, or offer any gratuity to, or attempt to bribe any member of the Town Council, officers or servants of the Town, the Town of South Bruce Peninsula shall be at liberty to cancel the purchase agreement forthwith.

4 Assignment and Sub-Letting

Potential bidders should be aware that the successful bidder shall not assign or sublet the agreement or any part thereof or any benefit or interest therein or thereunder, without the written consent of the Town of South Bruce Peninsula.

5 Accessibility

As of January 1, 2012, bidders must meet the requirements of the Customer Service Standard of the Accessibility for Ontarians with Disabilities Act (AODA). This document can be made available in other accessible formats, where practicable, upon request.

6 Freedom of Information and Ownership of Documents

Any personal information required on the quotation forms is received under the authority of the Municipal Freedom of Information and Protection of Privacy Act. This information will be an integral component of the quote submission.

All written quotations received by the Town become a public record and once a quotation is accepted by the Town, all information contained in them is available to the public, including personal information. Bidders may mark any part of their submission

as confidential except for the total contract/submission price and the bidder's name. The Town will use its best efforts not to disclose any information so marked but shall not be liable to a bidder where information is disclosed by virtue of an order of the Privacy Commissioner or otherwise as required by law. Upon award, the Town may release the name of the successful bidder and the total bid price of the successful bidder.

Questions about collection of personal information and the Municipal Freedom of Information and Protection of Privacy Act, as amended, should be directed to:

Town of South Bruce Peninsula
Attention: Clerk
315 George St, PO Box 310
Warton ON, N0H 2T0
519-534-1400 ext. 122

All documents, including proposals, submitted to the Town of South Bruce Peninsula will become the property of the Town. If bidders desire their quotation submission to be protected from disclosure under the above legislation, please provide a signed letter enclosed with the quotation outlining the part of the submission to be protected. This letter will not guarantee that there will never be disclosure, but it does lay the groundwork for handling an application for disclosure by a third party under this legislation.

7 Conflict of Interest

In addition to complying with the conflict of interest provisions, each bidder must declare in its submission any conflict of interest (actual or potential) which exists now or may exist in the future in respect of its participation in the quotation process, the submission of its quotation, and, if selected, the performance of its responsibilities. The Town will determine, in their sole discretion, whether any situation constitutes or may constitute a real or potential conflict of interest and reserves the right, in its sole discretion, to disqualify any bidder.

Bidders must also describe in the quotation, their process for identifying, disclosing, reporting and dealing with conflicts of interest that may arise in the future.

8 Payments

Payment by the Town of South Bruce Peninsula to the successful bidder will be made in accordance with the tender submission. Upon delivery of the unit, the successful bidder will submit an invoice to the Town of South Bruce Peninsula. Payment by the Town of South Bruce Peninsula to the successful bidder will be made within forty five (45) days of the date of the delivery of the invoice.

9 Sales Tax

The bidder will not include the Harmonized Sales Tax (HST) in the tender purchase price; within Tender Form T-1 there is a separate line item for HST.

Scope and Specifications

1 Scope of Work

This tender is for the supply and delivery of a new backhoe loader, as specified. The Town will also consider purchasing a demonstration unit provided that it carries the same full warranty of a new unit. Tenders submitted which do not meet the specifications will be considered incomplete and will therefore be disqualified.

Bidders shall include with their tender submission the full manufacturers' specifications and literature, which fully describe the item being offered, including any optional equipment.

As part of the purchase of the new backhoe loader, the Town requests that bidders provide a trade-in value for the Town's 2003 Case 580 Super M. There is no guarantee that the Town will be trading in the existing unit, but requests a trade-in value to consider a potential trade-in. Pictures and details of the unit to be traded-in are attached as **Appendix A**. Bidders are welcome to view the unit to be traded-in by contacting Gord Schultz, Operations Supervisor, at 519-534-1400 ext. 135. The unit is currently stored at the South Bruce Peninsula Works Yard at 503 Bruce Road 9, South Bruce Peninsula.

2 Specifications

The Town is accepting bids for the supply and delivery of a new 4WD backhoe loader. Bidders shall specify if the unit is new or a demonstration model, and if it is a demo unit, the number of hours on the unit. Bidders shall complete Form T-1, Form T-2, and Form T-3 providing details on their supplied unit, including available options.

The vehicle must be supplied with suitable components to comply with the specifications in the Form T-2 "Specification Checklist". Where minimums are called for, the vehicle must meet or exceed the capacity, size or performance specified.

This specification lists only the major details of a unit. Therefore, it is the supplier's responsibility to deliver a fully-equipped vehicle with compatible components to provide dependable, efficient service.

Vehicles shall meet or surpass the mandatory requirements of the "Canadian Motor Vehicle Safety Regulations" SOR 70-487 amended and must bear the National Safety Mark outlined in those regulations.

Dealer markings or transfers are not to be applied to this unit.

3 Delivery

The complete unit is to be delivered on or before August 31, 2019. Delivery is to the South Bruce Peninsula Works Yard at 413 Municipal Road, Sauble Beach, ON N0H 2G0, and is to be coordinated with Town staff during the hours of operations of the Public Works Yard (7:30 am – 3:00 pm). Within the bid submission, each bidder shall provide their work plan which shall indicate their schedule and ability to meet the Town's deadlines.

4 Warranty and Service Agreement

Bidder shall submit their warranty package with a minimum twelve (12) month parts and services warranty. The Town also requests bidders supply a price and specifications for an optional extended warranty.

Note: 'Optional' warranties are not to be included in tender bid price – the Town may or may not purchase additional warranties but will notify the successful bidder of a decision upon award.

The Tender submission shall include a brief summary on the schedule of items and prices of warranties and guarantees covering materials and workmanship.

Within the bid submission, bidders shall indicate if they provide mobile repair services and/or provide the location of the nearest service department where the Town could have the new unit serviced when required. The successful bidder, at no additional cost to the Town, will carry out any repairs, services or adjustments during the warranty period for this unit at the Town's works' yard(s). If the vehicle needs to be returned to the supplier for warranty work, it will be at the full cost of the successful bidder.
