

Please describe any barriers or challenges you feel that your organization is currently facing:

Are there volunteer opportunities within your organization, if so please describe?

Do the volunteer opportunities listed above require persons to become members or are opportunities available to participate without membership?

Are members required to pay a fee or are there any indirect costs or special requirements associated with being a member in your organization?

How does your organization currently recruit volunteers?

Is there any skill set or experience required?

Do you have any best practices that you would like to share with other organizations?
(this could be things like fundraising, advertising, financial management programs, etc.)

Are there any opportunities where your organization may be able assist other organizations within the community?

Are there any opportunities where your organization may be able assist the Town?

In terms of overall impact on this community as a place to volunteer what is the most significant change you would like to see in the next five years?

What assistance or opportunities would be beneficial to support your organization?
