Information to Bidders

1 General

Bids will be received until **January 23, 2020 at 3:00 pm** in a sealed envelope clearly marked with the following:

Side-Load Waste Collection Truck
Tender 20-01

Town of South Bruce Peninsula
Attention: Lara Widdifield, C.E.T.
Director of Public Works
315 George St, PO Box 310
Wiarton ON, N0H 2T0

The envelope is to include the bidding company name and return mailing address and reference the tender number.

The bid must be submitted on the tender forms as provided by the Town of South Bruce Peninsula. No changes may be made to bids after they have been received. If more than one (1) tender is submitted by a bidder, the only one considered and opened will be the envelope with the most recent time/date of receipt. Electronically transmitted tender (i.e. fax or email) will not be considered.

2 Tender Requirements

The following **must** be completed and submitted with your bid:

- Tender Form T-1
- Tender Form T-2 – Specifications Checklist
- Tender Form T-3 – Pricing for Options
- Individual quote with all specifications for the offered unit
- Warranty and Service Agreement
- Statement by Bidder
- Addendum(s) (If any)

Bidders are required to prepare their bid in accordance with this tender document, as well as the Town of South Bruce Peninsula's [Purchasing Procedures](#). The successful bidder will be required to enter into a contract with the Terms and Conditions as set out in the tender.

Bids shall be submitted on our tender form. A tender may be withdrawn any time prior to closing. Tenders that do not comply strictly with our terms and conditions or bids

which are incomplete, obscure or made subject to further conditions or qualified may be rejected as informal or disqualified by the Town of South Bruce Peninsula.

The Town does not bind itself to accept the lowest or any tender. Bids must be legible and completed in ink or typewritten with all blanks filled in.

3 Bribery or Corrupt Practice

Should the successful bidder or any of his agents give, or offer any gratuity to, or attempt to bribe any member of the Town Council, officers or servants of the Town, the Town of South Bruce Peninsula shall be at liberty to cancel the purchase agreement forthwith.

4 Assignment and Sub-Letting

Potential bidders should be aware that the successful bidder shall not assign or sublet the agreement or any part thereof or any benefit or interest therein or thereunder, without the written consent of the Town of South Bruce Peninsula.

5 Accessibility

As of January 1, 2012, bidders must meet the requirements of the Customer Service Standard of the Accessibility for Ontarians with Disabilities Act (AODA). This document can be made available in other accessible formats, where practicable, upon request.

6 Freedom of Information and Ownership of Documents

Any personal information required on the tender forms is received under the authority of the Municipal Freedom of Information and Protection of Privacy Act. This information will be an integral component of the quote submission.

All written tenders received by the Town become a public record and once a tender is accepted by the Town, all information contained in them is available to the public, including personal information. Bidders may mark any part of their submission as confidential except for the total contract/submission price and the bidder's name. The Town will use its best efforts not to disclose any information so marked but shall not be liable to a bidder where information is disclosed by virtue of an order of the Privacy Commissioner or otherwise as required by law. Upon award, the Town may release the name of the successful bidder and the total bid price of the successful bidder.

Questions about collection of personal information and the Municipal Freedom of Information and Protection of Privacy Act, as amended, should be directed to:

Town of South Bruce Peninsula
Attention: Clerk
315 George St, PO Box 310
Warton ON, N0H 2T0
519-534-1400 ext. 122

All documents, including proposals, submitted to the Town of South Bruce Peninsula will become the property of the Town. If bidders desire their tender submission to be protected from disclosure under the above legislation, please provide a signed letter enclosed with the tender outlining the part of the submission to be protected. This letter will not guarantee that there will never be disclosure, but it does lay the groundwork for handling an application for disclosure by a third party under this legislation.

7 Conflict of Interest

In addition to complying with the conflict of interest provisions, each bidder must declare in its submission any conflict of interest (actual or potential) which exists now or may exist in the future in respect of its participation in the tender process, the submission of its tender, and, if selected, the performance of its responsibilities. The Town will determine, in their sole discretion, whether any situation constitutes or may constitute a real or potential conflict of interest and reserves the right, in its sole discretion, to disqualify any bidder.

Bidders must also describe in the tender, their process for identifying, disclosing, reporting and dealing with conflicts of interest that may arise in the future.

8 Payments

Payment by the Town of South Bruce Peninsula to the successful bidder will be made in accordance with the tender submission. Upon delivery of the unit, the successful bidder will submit an invoice to the Town of South Bruce Peninsula. Payment by the Town of South Bruce Peninsula to the successful bidder will be made within forty-five (45) days of the date of the delivery of the invoice.

9 Sales Tax

The bidder will not include the Harmonized Sales Tax (HST) in the tender purchase price.

Scope and Specifications

1 Scope of Work

This tender is for the supply and delivery of one (1) new model year 2020 F-550 (or equivalent) 4WD truck chassis with dual rear wheels and 16 cubic yard side-load compaction waste collection body. Tenders submitted which do not meet the specifications will be considered incomplete and will therefore be disqualified.

The Town is willing to accept multiple bid submissions from bidders if bidders can offer units with differing options. Bidders shall include information for all offered units in a sealed envelope, clearly marked, and each submitted bid must have all tender forms and relevant information included.

2 Specifications

The Town is accepting bids for the supply and delivery of a new model year 2020 F-550 (or equivalent) 4WD truck chassis with dual rear wheels and 16 cubic yard side-load compaction waste collection body. Bidders shall complete Form T-1, Form T-2, and Form T-3 providing details on their supplied unit, including available options.

The vehicle must be supplied with suitable components to comply with the specifications in the Form T-2 "Specification Checklist". Where minimums are called for, the vehicle must meet or exceed the capacity, size or performance specified.

This specification lists only the major details of a unit. Therefore, it is the supplier's responsibility to deliver a fully equipped vehicle with compatible components to provide dependable, efficient service. Dealer markings or transfers are not to be applied to this vehicle.

Bidders shall include an individual quote, on company letterhead, for each vehicle being offered. The quote shall include all available specifications of the units including, but not limited to, each vehicle's engine size/rating, safety features, mechanical specifications, fuel efficiency information, and interior and exterior features.

The Town is also seeking to obtain pricing for some options for the vehicle, and requests bidders submit pricing for the requested options on Tender Form T-3. Bidders may also include details and pricing for any additional options they can offer. The Town does not bind itself to purchase any of the requested options.

3 Delivery

The complete unit is to be delivered within 75 days of award of the tender. Delivery is to the South Bruce Peninsula Works Yard at 441048 Elm St, Warton, ON N0H 2T0, and is to be coordinated with Town staff during the hours of operations of the Public Works Yard (7:30 am – 3:00 pm). Within the bid submission, each bidder shall provide their

delivery schedule and ability to meet the Town's deadlines; preference may be given to bidders that can commit to an earlier delivery time.

4 Warranty and Service Agreement

The Town requires a minimum five (5) years or 160,000 km powertrain and body rust-through warranty. Bidders shall submit their full warranty package and available service agreement information.

The Town also requests bidders supply a price and specifications for an optional extended warranty as a provisional item. It is anticipated that the truck may travel approximately 10,000 - 20,000 km annually.

Note: 'Optional' warranties are not to be included in bid price – they will be decided on at a later date by the Town.

Within the bid submission, bidders shall indicate if they provide mobile repair services and/or provide the location of the nearest service department where the Town could have the new vehicles serviced when required. The Town generally performs routine oil changes in-house.
