September 15, 2016

Owner(s) or Occupant(s) of Property on  
Mapleport Crescent.

Dear Resident(s),

### **Re: Mapleport Crescent Reconstruction**

The Town of South Bruce Peninsula is planning on reconstructing the road on Mapleport Crescent in Sauble Beach. Bridge Excavating Ltd. is the contractor and will be performing the work. Work is scheduled to start after the Labour Day long weekend, September 12, 2016. The deadline for completion is October 24, 2016. The Town of South Bruce Peninsula will be the contract administrator on this project.

The work will consist of reconstructing the road, which will include road, spot ditching, driveway restoration, removal and replace center line cross culverts, place 100mm sub drain, excavating the existing road base, and resurfacing the road surface. One-way traffic will be permitted during actual construction times with construction crews directing traffic, as required.

A basic map of the construction area is included on the next page.

Should you have any questions, please feel free to contact our office.

Yours truly,

**Dylan Stoneman**
