

Town of  
**SOUTH BRUCE  
PENINSULA**

## Notice of Public Meeting

### Corporation of the Town of South Bruce Peninsula

### Gould Street Sanitary Diversion Project

### Contract No. 161-00977-00

The Corporation of the Town of South Bruce Peninsula is hosting a Public Meeting on **Thursday, August 4, 2016 at 7:00 pm** to be held at the Town of South Bruce Peninsula Municipal Office Council Chambers.

The public meeting will address the Gould Street Sanitary Diversion project which will relocate an existing segment of sanitary sewer on Gould Street to Frank Street. Sewers will be installed on Gould, Frank and Brown Streets where it will connect to the recently reconstructed sanitary sewer on Brown Street. The project will reduce potential downstream flooding and peak flow that reaches the sewage pumping station #1 on Taylor Street.

The contracted design engineer, WSP Canada Inc. will be attending this meeting to discuss the project and address any questions and concerns regarding the project.

For further information on this project please contact:
