Public Open House
New Warton Wastewater Treatment Plant**

The Town of South Bruce Peninsula is pleased to announce that construction of the new Wastewater Treatment Facility in Warton is officially complete! Mayor Janice Jackson, Members of Council, and Manager of Public Works Andrew Sprunt formally invite residents and visitors to attend an open house and tour the new plant.

Date: December 2, 2016
Time: 12 – 2 pm (Ribbon cutting ceremony at 1 pm)
Location: Warton Wastewater Treatment Plant
441048 Elm Street

Guests will be toured through the plant and will have an opportunity to ask questions regarding the plant's operation. Representatives will be on hand from the Town of South Bruce Peninsula, the Town's water and wastewater operators – Ontario Clean Water Agency, and the contractor who constructed the plant – Kenaidan Contracting.

The plant's construction was funded through the Building Canada Fund – Communities Component that is a federal-provincial cost sharing program that targets municipal and rural infrastructure improving the quality of life and economic opportunities for communities.

Please join us in celebrating South Bruce Peninsula's advancements in wastewater treatment, providing the Town with opportunities to grow!
