Re: Notice of Commencement for the Town of South Bruce Peninsula Municipal Class Environmental Assessment for Upgrading / Expanding the Wiarton Wastewater Treatment Plant

Dear Sir/Madam,

Please find attached the Notice of Commencement for the Town of South Bruce Peninsula's Municipal Class Environmental Assessment (EA) for upgrading / expanding the Wiarton Wastewater Treatment Plant. The Class EA will evaluate alternatives to potentially expand the Wiarton Wastewater Treatment Plant (WWTP) from its current capacity of 2500 cubic metre per day to a future capacity of 4000 cubic metre per day.

The Town is required to complete the Class EA by December 2014. We wish to invite you to submit your inputs to the Class EA team within 30 days from the date of this letter.

You can provide the inputs to the undersigned or to Class EA project manager Arun Jain, exp Services Inc. (905.793.9800 ext. 2373 or arun.jain@exp.com).

Regards,

A handwritten signature in cursive script that reads "Thomas J. Gray".

NOTICE OF STUDY COMMENCEMENT

TOWN OF SOUTH BRUCE PENINSULA

MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT FOR UPGRADING / EXPANDING THE WIARTON WASTEWATER TREATMENT PLANT

The Town of South Bruce Peninsula has initiated a Municipal Class Environmental Assessment (Class EA) to evaluate alternatives to potentially expand the Wiarton Wastewater Treatment Plant (WWTP) from its current capacity of 2500 cubic metre per day to a future capacity of 4000 cubic metre per day. The range of alternatives considered may include construction of a fourth lagoon or a new secondary wastewater treatment system.

The study is being conducted in accordance with Schedule C of the Municipal Class Environmental Assessment process (October 2000, amended 2007 and 2011), which is approved under the Ontario Environmental Assessment Act.

Consultation with the public and review agencies is a key element of the Class EA process, and input will be sought throughout the study using various means including this notice and Public Open Houses. Details regarding upcoming Public Open Houses will be advertised as the study progresses.

Please contact any of the following project team members if you wish to be added to the project mailing list or if you have any questions, comments about the study.

Subject: EA Record Keeping

Tom,

As we have sent out the Notice of Commencement to all in the mailing list; some agencies may write to you directly.

In that case, we request that you please forward the communication to Jean Louis (on copy) and I for EA record keeping purposes.

We will also appreciate if you could confirm the date of advertisement in the newspaper along with name of the newspaper.

Regards,

Arun
