

Willie Ambassadors and Envoys

Would you like to be involved with Willie's 2019 Ambassador and Envoy programme?

If so, in 2019, our adorable albino prognosticator will be choosing one young lady and one young gentleman to fill the Ambassador roles, plus two runner-ups (one female and one male) who will be his Envoys.

The programme is intended to offer you opportunities to...

- ✓ build confidence and self esteem
- ✓ enhance public speaking skills
- ✓ network with others
- ✓ meet new friends
- ✓ create sincere relationships
- ✓ strengthen motivation
- ✓ develop better communication skills
- ✓ encourage investment in others

If this interests you, let's talk.

What will you need to prepare for, you ask? How about:

- be a secondary school student in the Town of South Bruce Peninsula, Municipality of Northern Bruce Peninsula, Township of Georgian Bluffs, Neyaashiinigiing or City of Owen Sound
- complete a registration form (enclosed) and submit to Mary Lynn Standen no later than Thursday, November 1, 2018
- secure a sponsor (non-refundable fee of \$50.00 payable to the Town of South Bruce Peninsula)
- prepare an essay (less than 500 words) (to be submitted with the registration form and fee) about the Wiarion Willie Festival and what it means in the community
- meet informally with the judges

- attend the event where the 2019 Ambassadors, Envoys and Little Miss Ambassador will be announced
- at the announcement event, you will participate in a fun contest about Warton Willie and the festival's roots and also be give a brief speech about yourself to the crowd of family, friends and well wishers

Ambassadors will be awarded a \$1,000.00 bursary and Envoys, a \$300.00 bursary
Bursaries are generously sponsored by BDO Canada LLP and Nicol Insurance

NOTE: Ambassadors and Envoys will be required to be available for Prediction Morning, Saturday, February 2, 2019 as well as for festival events throughout the town on February 2 and 3, 2018.

What will you gain from participating in the Ambassador and Envoy programme? Of course, it is the hope and wish that you will build new relationships and friends, hone your public speaking and communication skills, better prepare you for post secondary school life, teach you to face successes and challenges head on, etc.

Consider this quote by Vera Wang: *“Success isn’t about the end result, it’s about what you learn along the way.”*
